Subject: Notice of the Second Apportionment for the Title VI--Innovative Education Program Strategies of the Improving America's Schools Act of 1994 (PL 103-382), Fiscal Year 2001-02

This apportionment, in the amount of \$23,207,651, is made from federal funds provided to the State under Title VI of the Elementary and Secondary Education Act (ESEA) of 1965 as amended by Title VI of the Improving America's Schools Act (IASA) of 1994 (PL 103-382). The United States Department of Education award number is S298A010005A. The Catalog of Federal Domestic Assistance Subprogram number is 84.298A. This grant is subject to the provisions of Title VI of the ESEA, as applicable, and the General Education Provisions Act (PL 103-382). This grant is also subject to the Title VI regulations in Part 200 of Title 34 of the Code of Federal Regulations (CFR) and the Education Department General Administrative Regulations in 34 CFR Parts 76 and 77, 80-82, 85 and 86. The funding is appropriated in Item 6110-101-0890 of the 2001 Budget Act (Chapter 106, Statutes of 2001). The California sub-allocation (pass-through) number is Project Cost Account Code 13340.

In accordance with federal law, entitlements were calculated on a point system formula using approximately \$4.34997 per point. Local educational agencies (LEAs) received one point per pupil as reported in the October 2000 California Basic Educational Data System, and one point for each private school participating enrollment. In addition, LEAs are ranked based on the percent of students receiving California Work Opportunity and Responsibility to Kids (CalWORKs) as of October 2000. LEAs in the top quartile (total percent of 100 to 13.93) received an additional 3.5 points per CalWORKs student; LEAs in the second quartile (13.92 to 6.80) received 2 points per CalWORKs student; LEAs in the third quartile (6.79 to 1.75) received 1 point per CalWORKs student; LEAs in the fourth quartile (1.74 to 0), received no points per CalWORKs student. This apportionment represents the 60 percent balance of entitlement for each LEA listed on the enclosed schedule of apportionment. Upon receipt of this apportionment, each LEA will have received 100 percent of their 2001-02 Title VI funds.

Direct funded charter schools must apply individually for this program. We identify the amount for direct funded charter schools separate from the district or county amount. All other charter schools must apply through their authorizing agency, and funding associated with the charter school is included in the district or county amount.
